Message from the Prime Minister of Canada

It is with great pleasure that I welcome you all to this celebration of the late Kishore Kumar's 93rd birthday, taking place on August 4th.

Over two decades have passed since the loss of Kishore Kumar. This tribute event, featuring a live concert organized by Bollywood Ki Dhun, will bring together many community members to reflect on the legacy of a great artist.

Kishore Kumar's talent and passion were extraordinary and his contributions to the arts, including music and cinema, were vast. This event offers an opportunity for all to celebrate the richness and vibrancy of Indian culture and music. Indeed, Canada is truly a multicultural nation, made stronger and more resilient by our diversity. This event offers a wonderful occasion for community members to reflect on their important place in Canada.

Please accept my warmest welcome and best wishes for a memorable event!
